MISSED TRAINING PROCEDURE (NON EMERGENCY)

In a non-emergency situation (i.e. family vacation, sports game, etc), please adhere to the following procedure:

1. Prior to the training (**cannot** be the day of the training), email, facebook message or write the LMTI staff informing them of the training that you will be missing and the reason for the absence. You **MUST** email/write/facebook message; phone messages will not be accepted.
2. The LMTI staff will respond and acknowledge the absence and will let your YAC Coordinators and Action Group Advisor know.
3. Your YAC Coordinator(s) will contact you with any assignments, instructions, or information.

We would appreciate at least 7 days notice if you must be absent from a training. This allows us time to adjust the training accordingly and to communicate properly with your YAC Coordinator(s) and Action Group Advisor.

****Even if you have previously informed the LMTI staff of a conflict (either verbally or on your application), you must follow the above steps to confirm the absence.****

MISSED TRAINING PROCEDURE (EMERGENCY)

1. As soon as possible, notify the LMTI staff of the circumstances via phone, email or facebook message.
2. The LMTI staff will contact your Action Group Advisor and YAC Coordinator(s).
3. Your YAC Coordinator(s) will contact you with any assignments, instructions, or information.
4. At the next training, please provide a note from a parent/guardian. If you miss the last training, please bring this note to the Staff Training immediately preceding the Summer Leadership Conference.
